The President's Message

Well, here we are again at almost the beginning of the new year. I wish you all a Merry Christmas, Happy Chanukah, and a Happy, Healthy & Prosperous New Year.

Art Sherman

I am pretty sure I am speaking for everyone in attendance, when I say we had a wonderful Holiday brunch on December 4, 2011, at Drury Lane in Oakbrook. Their brunch food is always fantastic, with a huge assortment of choices and it is a good value too.

Coming up we have the Kicking Out the President (Sam) meeting on January 5, 2012 (stag) at Medinah. This is always a fun meeting and I hope you can come out. Cost is only \$15.

Next up is our Official OV, where we will greet the new Potentate. This is a brunch at Medinah and will include an omelet station and lox and bagels, as well as a lot of other good food. This, of course, includes ladies, family, and friends, and the best part is you don't need to wear formal attire. A fez is required for members and other Shriners. This will be held on January 29, 2012 and starts with open bar (bloody Mary's, screwdrivers, and mimosas) at 11:30 a.m. and includes entertainment by our own Chuck Masny.

In February, we will again have the ladies join us for a belated St. Valentine's Day party at Medinah, which will be a sit down dinner with choice of entrees at \$25 per person. Please consider bringing your Valentine with you to this event.

As you can see, Sam is ending his year with a bang (Thanks for a job well done Sam!) and we are continuing with a busy, but fun-filled schedule. I hope to see many of you at these events. If you have any suggestions for other events during the year, please let us know. We have 138 members and have always been one of the largest and best run Shrine Clubs in Medinah. I hope that you will attend as many of the events as you can and contribute to our fun and fellowship in a meaningful way.

Thanks for your friendship and support.

Your 2012 President,
Art

Famous American Masons

By Michael A. Langer

Myles Gilbert "Tim" Horton

Now that the hockey season is in full swing, your assistant editor decided to deviate from the norm and write about a Famous Canadian Mason. (ed.)

Myles Gilbert "Tim" Horton was a Canadian professional [ice hockey defenseman](#). He played in 24 seasons in the [National Hockey League](#) for the [Toronto Maple Leafs](#), [New York Rangers](#), [Pittsburgh Penguins](#), and [Buffalo Sabres](#). He was also a businessman and a co-founder of the fast food chain [Tim Horton's](#) Donut Shops. Tim Horton was initiated as a Mason in Kroy Lodge No. 676, Toronto, Ontario, in 1962.

Tim Horton was born in Cochrane, Ontario. Tim Horton grew up playing [ice hockey](#) in Cochrane, and later in the mining country near [Sudbury](#). The [Toronto Maple Leafs](#) organization signed him, in 1948. Two years later, he turned pro with the Leafs' farm team, the [Pittsburgh Hornets](#). He played in his first [NHL](#) game on March 26, 1950. He started to play regularly for the Toronto Maple Leafs in the fall of [1952](#). He remained a Leaf until [1970](#), winning four [Stanley Cups](#). Horton was known for his tremendous strength and calmness under pressure, and had relatively few penalty minutes for an [enforcer-type](#) defenseman. Horton was a hard-working and durable defenseman who was also an effective puck carrier. He was named an [NHL First Team All-Star](#) three times ([1964](#), [1968](#), and [1969](#)). He was selected to the NHL Second Team three more times ([1954](#), [1963](#), [1967](#)). He appeared in six [National Hockey League All-Star Games](#).

Horton had a reputation for enveloping players who were fighting him in a crushing [bear hug](#). [Boston Bruins](#) winger [Derek Sanderson](#) once bit Horton during a fight. Injuries and age were little more than minor inconveniences to Horton, who was generally acknowledged as the strongest man in the game while he was playing. [Chicago Blackhawks](#) winger [Bobby Hull](#) declared, "There were defensemen you had to fear because they were vicious and would slam you into the boards from behind, for one, [Eddie Shore](#). But you respected Tim Horton because he didn't need that type of intimidation. He used his tremendous strength and talent to keep you in check." In [1962](#), he scored three goals and 13 assists in 12 playoff games, setting a Leafs team record for playoff points by a defenseman.

In 1964, Horton opened his first Tim Horton Doughnut Shop in [Hamilton, Ontario](#). Today, in addition to over 3,000 locations in Canada, there are over 556 Tim Horton's Doughnut Shops in the United States, and they can be found in [Michigan](#), [Ohio](#), [New York](#), [Connecticut](#), [Maine](#), [Pennsylvania](#), [Rhode Island](#) and other American states, mainly in the Northeast and the Great Lakes region.

Early on the morning of February 21, 1974, Horton was driving from Toronto to his home in Buffalo after the Sabres had played in Toronto the night before. He was navigating a curve in St. Catharines when he lost control of his vehicle and hit a concrete [culvert](#). Horton was ejected from the vehicle and died in the accident. He is buried in [York Cemetery](#), Toronto.
